## **National Anthem**

*by Francis Scott Key*

O say, can you see, by the dawn's early light,  
What so proudly we hailed at the twilight's last gleaming;  
Whose broad stripes and bright stars, thro' the perilous fight,  
O'er the ramparts we watched, were so gallantly streaming?  
And the rockets' red glare, the bombs bursting in air  
Gave proof thro' the night that our flag was still there.  
O say, does that Star-Spangled Banner yet wave  
O'er the land of the free and the home of the brave!

## **Alma Mater**

*by Fred Lewis Pattee*

For the glory of old State,  
For her founders, strong and great,  
For the future that we wait,  
Raise the song, raise the song,  
  
Sing our love and loyalty,  
Sing our hopes that, bright and free,  
Rest, O Mother dear, with thee.  
All with thee, all with thee.

When we stood at childhood's gate,  
Shapeless in the hands of fate,  
Thou didst mold us, dear old State,  
Dear old State, dear old State.

May no act of ours bring shame  
To one heart that loves thy name,  
May our lives but swell thy fame,  
Dear old State, dear old State!

### Message from Neeli Bendapudi, B.A., M.B.A., Ph.D. President of The Pennsylvania State University

To the Class of 2022:

On behalf of the Penn State community, I offer my heartiest congratulations and best wishes for a lifetime of fulfillment and happiness. The Class of 2022 has faced unique challenges, but you have endured and moved forward with tremendous “We Are” spirit.

Penn State is engaged in a powerful mission, and you have been an integral part of it. You make Penn State such a vibrant and exciting place. Your commitment, collaboration, and enthusiasm have inspired us and strengthened our institution.

We have seen the impact of your efforts across the university: From THON, which has raised \$180 million to fight pediatric cancer, to elevating Penn State’s ranking to among the top 1 percent of universities worldwide, to contributing to the fight against COVID-19.

I hope you feel a sense of accomplishment not only for your own personal successes, but also for all you have contributed to the larger community. You will always be part of the Penn State family.

Whatever the future may bring, your intelligence, critical thinking, and resilience will set you up for success and lead us past any challenges we face.

Believe in yourself, act with integrity, find your noble purpose, and make a difference in our world.

We Are proud of you!

## To Our Guests

We welcome you to the commencement exercises for baccalaureate and associate degree candidates.

Commencement, the solemn but joyful climax and recognition of the graduates' years of study, is an important occasion to the University, its faculty, and students. All guests and participants are requested to avoid unnecessary conversation or moving about during the exercises.

Only authorized press and University photographers are permitted on the floor to take pictures once the exercises are in progress.

When the processional party enters at the beginning of the ceremony, the audience rises. They remain standing until all members of the platform party have taken their places on the platform and during the singing of the national anthem.

Applause should be withheld during the presentation of the individual candidates; however, they may be applauded after all candidates have been recognized.

Following the singing of the Alma Mater, there is a recessional. The audience is asked to remain seated during this period.

## Bryce Jordan Center

A FIRST AID STATION is located on the concourse level (south side) between Gates C and D.

RESTROOMS are located throughout the concourse area.

LOST AND FOUND articles will be taken to the administrative office located on the second level of the facility (Room 127).

TO ORDER OFFICIAL TRANSCRIPTS: Call 814-865-6357 for instructions or visit website: <http://www.registrar.psu.edu>

PENN STATE encourages persons with disabilities to participate in its programs and activities. If you anticipate needing any type of accommodation or have questions about the physical access provided, please contact Strategic Communications at 814-865-2501.

NOTICE: The possession or consumption of alcoholic beverages in any indoor commencement facility is prohibited. Your admission to any of these facilities is conditional upon compliance with the above. The University reserves the right to refuse admission to, or remove, any person who violates this prohibition.

# Commencement Marshals

**Lara Waldt**  
*College of Agricultural Sciences*

Lara Waldt of Swarthmore, Pennsylvania, majored in Plant Sciences with minors in International Agriculture and French and Francophone Studies.

Lara received numerous scholarships and grants to support her research and international travels. Lara conducted diverse research projects with the Foolad Tomato Crop Breeding Laboratory, Axtell Laboratory, and Guiltinan-Maximova Cacao Laboratory. She also studied in Costa Rica, Chile, and Kenya to explore their agricultural systems and engage with rural communities.

Lara was an Undergraduate Research Ambassador for Penn State's Undergraduate Research and Fellowships Mentoring Office and served as Flower Chair in the Horticulture Club.

The daughter of Alan Waldt, Lara plans to work in the plant science industry and pursue a doctorate in plant genetics and breeding.

**Jack Maloney**  
*College of Arts and Architecture*

Jack Maloney of Delray Beach, Florida, majored in Musical Theatre.

A Schreyer Honors Scholar, Jack honed his skills as an actor and creator, writing three pilots, a short film, and a film treatment. He also served as Vice President of ECLIPSE FTK and the Teen Leadership

Coordinator of Camp Kesem Central PA.

In summer 2021, he attended the University of Southern California's School of Cinematic Arts, where he took classes in Screenwriting and the Business of Film and Television. During this program, Jack wrote his first feature-length screenplay, *QueerEye*, a comedy inspired by his experiences as the only gay student at his high school.

After graduation, Jack hopes to pursue a master's degree in fine arts and create, write, and star in his own television series.

**Shahriar Rayhan**  
*Smeal College of Business*

Shahriar Rayhan of Arlington, Virginia, majored in Supply Chain and Information Systems with a minor in Economics.

A recipient of the Evan Pugh Scholar Award, the President's Freshman Award, and the Borelli Family Scholarship, he is a member of the Beta Gamma Sigma International Business Honor Society and Sigma Chi Mu Tau, the Supply Chain National Honor Society.

Shahriar was a team lead for the Smeal Sustainability Case Competition Community Solar project. He also served as Social Media Manager and Peer Counselor for the DMAX Mental Health Awareness Club.

Shahriar has accepted a position with Technomics in Washington, D.C., and will begin part-time studies at George Washington University in pursuit of an MBA.

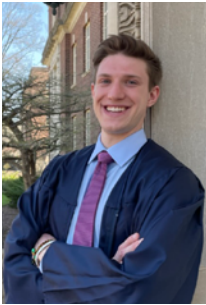

**Alexander Forge**  
*Donald P. Bellisario College of Communications*

Alexander (Lex) Forge majored in Film Production with minors in Music Technology and Theatre.

A Schreyer Honors Scholar, Lex completed internships with Thunder Road Pictures in New York City, Dark Castle Entertainment in Santa Monica, California, and JTTwo Films in Philadelphia.

Lex participated in the Penn State Hollywood Program in spring 2022 and was the writer/director of several films featured in the Blue & White Film Festival.

After graduation, Lex plans to return to California and pursue a career in the entertainment industry.

**Nickolas Sotiropoulos**  
*College of Earth and Mineral Sciences*

Nickolas Sotiropoulos of Glen Mills, Pennsylvania, majored in Materials Science and Engineering.

During his studies at Penn State, Nickolas received the Norris B. McFarlane Scholarship, Matthew J. Wilson Honors Scholarship, and the Richard M.

Wardrop, Jr. Honors Scholars Scholarship in Metals Science and Engineering.

Nickolas performed undergraduate research on processing conditions for additively manufactured titanium. He also served as a part-time engineering associate in the CIMP-3D Additive Manufacturing Research Lab.

The son of Susan and Nick Sotiropoulos, Nickolas plans to pursue a career involving the additive manufacturing of metals.

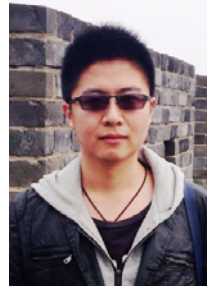

**Hannah Hetrick**  
*College of Education*

Hannah Hetrick of Lewisberry, Pennsylvania, majored in Elementary and Early Childhood Education.

A Schreyer Honors Scholar, Hannah earned numerous awards and a Teaching English as a Second Language certificate. She was active in the Penn State Outing Club and THON.

Hannah conducted research to determine how theories promoted in English as a Second Language certification programs translate to classroom practice. She did her student teaching in the State College Area School District and abroad as an English Teaching Assistant at Atenas Preschool and Escuela Colina Azul.

The daughter of Sharon and Andrew Hetrick of Camp Hill, Pennsylvania, Hannah plans to continue to travel the world and hopes to teach in a variety of educational settings.

**Xiao Zhuang**  
*College of Engineering*

Xiao Zhuang majored in Computer Science with a minor in Mathematics.

A graduate of Dalian NO 24 High School in Dalian, LiaoNing, China, he received the President Walker Award in 2020 and the Evan Pugh Scholar Senior Award in 2022.

In 2020, while attending Penn State Abington before coming to University Park, Xiao participated in the annual Abington College Undergraduate Research Activities, leading a team that designed a new prototype electric wheelchair.

While at Penn State, he worked as an escape game designer for XuanYuan Space Technology, and he won the Escape Game Alliance Most Popular Game Award in 2020.

After graduation, Xiao plans to attend graduate school to study deep learning or computer vision.

**Lily Whitmoyer**  
*College of Health and Human Development*

Lily Whitmoyer of Mohrsville, Pennsylvania, majored in Human Development and Family Studies.

Lily was a leader of Relay for Life at Penn State, serving as the Public Relations Chair during the 2020-21 academic year and the Executive Event Director during the 2021-22 academic year. She was also a photographer for Onward State, a student-run news organization.

The daughter of Cydney and Jeffrey Whitmoyer, Lily will move on to the University of Central Florida to pursue a Master of Social Work degree.

**James Lee Reese Jr.**  
*College of Information Sciences and Technology*

James Reese Jr. from Tyrone, Pennsylvania, majored in Cybersecurity Analytics and Operations.

Despite dropping out of high school, James overcame personal hardships to receive numerous scholarships and honors, including the President's Freshman Award,

the President Sparks Award, and the Evan Pugh Scholar Award as a junior and senior.

Through his involvement with the Security and Risk Analysis club at Penn State Altoona, Gamma Tau Phi, and the Cyber Certifications Club, James found a community of people who believed in him and helped him succeed. He also thanks his parents, James Sr. and Patricia, and cousin Matthew Shirk for their support.

James completed an internship with Cisco Systems in North Carolina and hopes to continue working there as a network engineer while pursuing various professional certifications.

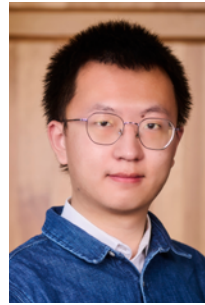

**Kato Griffiths**  
*College of the Liberal Arts*

Kato Griffiths of Dillsburg, Pennsylvania, majored in English and Psychology with a minor in French and Francophone Studies.

A Paterno Fellow and Schreyer Honors Scholar, Kato studied abroad in Montpellier, France, in spring 2022. In State College, Kato dedicated considerable

time to his little brother/mentee in Big Brothers Big Sisters of Centre County. He also enjoys creating and publishing music and performing live.

In the fall, Kato will complete a Teaching English as a Foreign Language certificate program to prepare for teaching English in China. He also plans to work as a substitute teacher while applying for master's programs in Secondary English Education.

**Yancheng Wang**  
*Eberly College of Science*

Yancheng Wang from Taoyuan, Shanxi Province, China, double majored in Mathematics and Philosophy.

A Schreyer Honors Scholar, Yancheng's thesis research focused on differential game theory. While at Penn State, he received the President's Freshman Award, the President Sparks Award, the Evan Pugh Scholar Senior Award, the H. Freeman Stecker Scholarship, and the Shibley Award.

The son of Qiuxia Li and Weizhong Wang, Yancheng also thanks his host parents, Cathie and Patrick Yerian, for their support of his studies at Penn State. After graduation, he plans to take a year off to visit his parents in China before attending graduate school.

**PLEASE NOTE:**

This is an unofficial list of students who indicated an intent to graduate for summer session. The final list of graduates for the program was pulled on July 13<sup>th</sup>. Students who indicated their intent to graduate after that date are not listed. Distinction lists were determined on June 28<sup>th</sup>. Student must have been applied by that date in order to be listed in the Honors Group. Their distinction was based upon spring grades and could change after summer grades are finalized. Schreyer Scholars were determined on July 25<sup>th</sup>. Any changes after that date are not reflected in the program.

Subject to completion of all degree requirements, degrees will be conferred as indicated upon the individuals listed herein and upon such others as may meet the requirements.

Congratulations on your achievements!

**Evan Pugh Scholars**

The Evan Pugh Scholars are students who were in the upper 0.5 percent of their respective classes at the end of the spring 2022 semester. All have been full-time students for at least four semesters prior to selection.

**Honors Group**

This group is made up of those students who have completed the required number of credits at the University and who are in the top 12 percent of their graduating class in their college. The 12 percent is divided into 2 percent “Summa Cum Laude,” 4 percent “Magna Cum Laude,” and 6 percent “Cum Laude.”
