SPRING SEMESTER 2024

## COLLEGE OF ENGINEERING

7:00 p.m.

**PennState**

## **National Anthem**

*by Francis Scott Key*

O say, can you see, by the dawn's early light,  
What so proudly we hailed at the twilight's last gleaming;  
Whose broad stripes and bright stars, thro' the perilous fight,  
O'er the ramparts we watched, were so gallantly streaming?  
And the rockets' red glare, the bombs bursting in air  
Gave proof thro' the night that our flag was still there.  
O say, does that Star-Spangled Banner yet wave  
O'er the land of the free and the home of the brave!

## **Alma Mater**

*by Fred Lewis Pattee*

For the glory of old State,  
For her founders, strong and great,  
For the future that we wait,  
Raise the song, raise the song,

Sing our love and loyalty,  
Sing our hopes that, bright and free,  
Rest, O Mother dear, with thee.  
All with thee, all with thee.

When we stood at childhood's gate,  
Shapeless in the hands of fate,  
Thou didst mold us, dear old State,  
Dear old State, dear old State.

May no act of ours bring shame  
To one heart that loves thy name,  
May our lives but swell thy fame,  
Dear old State, dear old State!

# COLLEGE OF ENGINEERING COMMENCEMENT

## Spring 2024 Baccalaureate Degrees

### PROGRAM NOTES

The bachelor of science degree is conferred after the satisfactory completion of eight semesters of study. The bachelor of architectural engineering degree requires ten semesters of study.

Students who have satisfactorily completed the advanced course in military, naval, or air science may be granted commissions upon graduation. Military and air science graduates are commissioned as second lieutenants; naval science graduates may be commissioned as ensigns in the U.S. Navy or second lieutenants in the U.S. Marine Corps.

**HONORS GROUP:** This group comprises those students who have completed the required number of credits at the University and who are in the top 12 percent of their graduating class in their college. The 12 percent is divided into 2 percent “Summa Cum Laude,” 4 percent “Magna Cum Laude,” and 6 percent “Cum Laude.” Honors are noted with asterisks (\* = Cum Laude; \*\* = Magna Cum Laude; \*\*\* = Summa Cum Laude). This list was produced on March 17, 2024, as an unofficial list of graduating students earning honors.

**STUDENT MARSHALS:** College of Engineering student marshals are chosen on the basis of their outstanding academic achievements and contributions to engineering student life.
